# Finance /Administrative Committee Agenda Item: 3

**Date:** September 10, 2018

**Subject:** Admin Leave: New Policy in Personnel Handbook

**Staff Contact:** Timothy R. Shaw, General Manager

#### **Recommended Committee Action:**

Review the draft new policy, Administrative Leave for FLSA-Exempt employees and forward the item onto the September 17<sup>th</sup> agenda.

#### **Current Background and Justification:**

Pursuant to the Board direction provided at the August  $20^{th}$  meeting, the new policy was drafted for consideration by the Finance/Admin committee.

Admin Leave is a very common policy for FLSA-Exempt (management employees) at public agencies. The inclusion of Admin Leave, which does not carry over from year to year and cannot be cashed out upon termination/retirement, is intended to eliminate the gray area for salaried employees' payroll and attendance tracking.

Although this policy to not negatively impact the wages, benefits and working conditions of union represented employees, I have corresponded with Teamster Local 150 to keep them apprised.

#### **Conclusion:**

Forward the new Administrative Leave policy insertion for the Personnel Handbook onto the September 17<sup>th</sup> Board agenda.

time off with pay that will be authorized is three (3) days; provided, however, two (2) additional days may be taken and charged to accrued vacation. The General Manager is empowered to grant additional time off for funeral attendance under appropriate circumstances, if so requested. For purposes of this section, immediate family means the employees spouse, children, parent, parent-in-law, grandparent, brother or sister, registered domestic partner, stepparent, stepbrother or stepsister.

#### **Voting Leave**

Time off with pay to vote at any general, direct primary, or presidential primary election shall be granted as provided in the State of California Elections Code, and provided that notice the employee desires such time off shall be given in accordance with the provisions of said code.

#### **Jury and Witness Duty**

You should immediately notify your manager if you receive a notice for jury duty. If you are summoned for jury duty, you will be paid the difference between jury duty pay and your regular hourly rate for up to a maximum of ten working days per year. As a public employee, a waiver should be signed to avoid payment (as it must be returned) when appearing for Jury Duty.

If required by law to appear in court as a witness, you may be given paid time off up to a maximum of 32 hours for non-exempt (pro-rated for regular part-time) employees or four (4) days per year for exempt employees for such purpose, provided that you provide the RLECWD with reasonable advance notice and proof of such court order. This paid time off will not be counted towards an employee's vacation days or sick days.

#### Administrative Leave for FLSA Exempt Employees

Administrative leave (Admin Leave) is provided for District FLSA-exempt employees. Admin Leave is provided in recognition of the FLSA-exempt employee's requirements to regularly work beyond regular office hours. Admin Leave shall be subject to the following terms and conditions:

- Admin Leave shall not accrue from year to year and may not be cashed out upon termination of employment. Any unused Admin Leave remaining on December 31<sup>st</sup> each year will be deleted.
- Admin Leave scheduling and authorization must be approved (except General Manager)
   prior to commencement of Admin Leave.
- Admin Leave will be documented and tracked through payroll records.
- FLSA-exempt employees hired after January 1<sup>st</sup> will receive a prorated number of Admin Leave hours for that calendar year.
- Admin Leave for FLSA-exempt employees who regularly attend District meetings outside of regular work hours shall be provided 48-hours of Admin Leave each on January 1<sup>st</sup> of each calendar year.

 Admin Leave for FLSA-exempt employees who do not regularly attend District meetings outside of regular work hours shall be provided 32-hours of Admin Leave on January 1<sup>st</sup> of each calendar year.

#### **UNPAID TIME OFF**

#### **FAMILY AND MEDICAL LEAVE**

#### **Purpose**

The purpose of this policy is to provide for family and medical leave to the extent reasonably possible consistent with the objective of providing a stable organization. Unless specifically in conflict the Family and Medical Leave Act of 1993 or other law, the provisions of this policy shall determine an employee's eligibility for family and medical leave. Nothing in this Article is intended to limit or waive an employee's rights under the FMLA or CFRA or the District's obligations under both Acts.

#### **Eligibility**

To be eligible for family or medical leave, an employee must have: (1) been employed by the District for at least 12 months; (2) worked for the District at least 1,250 hours during the 12 months immediately preceding the commencement of leave; and (3) either be employed at a worksite where the District employs at least fifty (50) employees within seventy-five (75) miles of the worksite or obtained an exemption from this requirement from the General Manager based upon a determination that the leave proposed will not in a significant way negatively impact upon the ability of the District to operate.

#### Leave Benefit

Eligible employees will be provided with up to 12 work weeks of unpaid leave each year for the following reasons:

To care for a newborn, adopted, or foster child (FMLA/CFRA)

To care for a seriously ill child, parent, grandparent, grandchild, sibling, parent-in-law or spouse (FMLA/CFRA).

To care for employees registered domestic partner (CFRA only)

Employees who are unable to perform the functions of their position because of a serious health condition will also be entitled to 12 work weeks of unpaid leave. "Serious health condition" is defined as an illness, injury, impairment, or physical or mental condition that entails (1) inpatient care in a hospital, hospice, or residential medical care facility or (2) continuing treatment by a healthcare provider (FMLA/CFRA.)

**Subject:** Sick Leave: Revised Policy in Personnel Handbook

**Staff Contact:** Timothy R. Shaw, General Manager

#### **Recommended Committee Action:**

Review the draft revised policy, Sick Leave in the Personnel Handbook and forward the item onto the September 17<sup>th</sup> agenda.

#### **Current Background and Justification:**

While drafting the proposed new Admin Leave policy for insertion into the Personnel Handbook, I could not overlook (it is in the same section of the Personnel Handbook) the incompatibility of the existing Sick Leave policy with current California Labor Codes. Accordingly, I revised the existing Sick Leave policy for conformance with the current law (see FAQ item # 3 on CA Labor Code included in Committee Packets).

I also corresponded with Teamster Local 150 to apprise the union of the need for update. Because the revised policy is substantially more flexible and less restrictive than the old policy, which required GM approval for employees requesting sick leave, it is reasonable to assume the Union will not impede or cause unreasonable delays in making this necessary the change for compliance with existing law.

#### **Conclusion:**

Forward the revised Sick Leave Policy onto the September 17<sup>th</sup> Board agenda.

#### California Paid Sick Leave: Frequently Asked Questions

This document contains answers to questions that are frequently asked about California's new Paid Sick Leave law (AB 1522, operative January 1, 2015, and as amended in AB 304 effective July 13, 2015).

DIR has updated the FAQ list originally posted in February 2015 to reflect new requirements under AB 304. This newer document also clarifies previous responses given in answer to questions received from members of the public.

#### **UPDATE**

New Questions Concerning the Paid Sick Leave Law
Updated March 29, 2017

Questions about An Employer's Use of a "Grandfathered" (Existing) Paid Time Off Plan to Provide Paid Sick Leave

- 1. If my employer already had a paid time off plan that employees could use for paid sick leave before this law went into effect in 2015, was my employer required to provide *additional* sick days in response to the new law?
- No. The statute has provisions that allow for what are commonly referred to as "grandfathered" paid time off plans. Basically, in very general terms, and as described in more detail in additional FAQs below, if at the time the law went into effect in 2015, an employer already had an **existing** paid leave policy or paid time off plan, and if that existing policy or plan made an amount of paid leave available that could be used for at least as many paid sick days as required under the new law, and that could be used under the same conditions as specified in the new law, or that had conditions *more favorable* to employees, (i.e., that provided *more* sick days than created under the new law, or that had a *more* favorable accrual rate, etc.), the employer is allowed to continue to use that existing paid time off plan in order to satisfy the paid sick leave requirements of the new law.
- 2. If my employer is providing paid sick days through an existing (grandfathered) paid time off policy, does the new law change the rate of pay my

### employer is required to pay for days that I take off under the existing paid time off policy for reasons *other than* a paid sick day?

No, the paid sick leave law addresses only the rate of pay that must be paid for time taken off as paid sick leave; it does not address or impact the rate of pay for paid time off taken for other purposes, such as vacation time or personal time.

Under the paid sick leave law, an employer must pay an employee for time taken **for paid sick leave** using **any** of the following calculations:

- (1) Paid sick time for **nonexempt employees** shall be calculated in the same manner as the **regular rate of pay for the workweek** in which the employee uses paid sick time, whether or not the employee actually works overtime in that workweek.
- (2) Paid sick time for nonexempt employees shall be calculated by dividing the employee's total wages, not including overtime premium pay, by the employee's total hours worked in the full pay periods of the prior 90 days of employment.
- (3) Paid sick time for **exempt employees** shall be calculated in the same manner as the employer calculates wages for other forms of paid leave time.

(Lab. Code § 246, subd. (I), emphasis added.)

In general terms, these provisions mean that time taken off as paid sick leave must be paid at an employee's **regular rate of pay**, either for the workweek in which the paid sick leave was taken, or as determined by averaging over a 90-day period.

An employer using a "grandfathered" (i.e., existing) paid time off policy or plan must ensure that the plan "makes available an amount of leave applicable to employees that may be used for the same purposes [i.e., for paid sick leave] and under the same conditions [i.e., paid at the same rate] as specified in" section 246 of the new law. This means that an employer using a grandfathered paid time off plan must ensure that time that is taken off for paid sick leave must be paid in the manner as specified in the new law (as quoted and summarized above).

The new paid sick leave law, however, does not address in any way, nor impact, how employers must compensate employees under existing paid time off plans for time that is taken off for purposes **other than paid sick leave**, for example, for time that is taken as vacation, or for personal holidays, etc. (Note, however, the provisions of Labor Code section 227.3 concerning the requirements for payment for vested vacation time at termination of employment.) In practical terms, this means that an employer may compensate employees under an existing paid time off plan for vacation or personal holiday time, during employment, at a "base rate" of pay, whereas time taken as paid

sick leave must be paid at a higher regular rate of pay (determined for the workweek or by a 90-day average), as described above.

#### Paid Sick Leave and Employer Attendance Policies

3. Can my employer discipline me for taking a paid sick day or for using paid sick leave for part of a day to go to a doctor's appointment?

In general, no, an employer may **not** discipline an employee for using accrued paid sick leave. Depending on the circumstances, however, the issue may be more complex and may require more analysis.

The paid sick leave law specifically says the following:

An employer shall not deny an employee the right to use accrued sick days, discharge, threaten to discharge, demote, suspend, or in any manner discriminate against an employee for using accrued sick days, attempting to exercise the right to use accrued sick days, filing a complaint with the department or alleging a violation of this article, cooperating in an investigation or prosecution of an alleged violation of this article, or opposing any policy or practice or act that is prohibited by this article.

(Lab. Code § 246.5, subd. (c)(1).)

Separately, Labor Code section 233 (commonly referred to as the "Kin Care" law) requires an employer to allow an employee to use accrued and "available" sick leave (which is the amount that would accrue during a six month period) for the purposes specified in the paid sick leave law. Labor Code section 234 provides that "[a]n employer absence control policy that counts sick leave taken pursuant to Section 233 as an absence that may lead to or result in discipline, discharge, demotion, or suspension is a per se violation of Section 233."

This means, in general terms, that if an employee **has accrued sick days available,** an employer may not deny the employee the right to use those accrued paid sick days, including the right to use paid sick leave for a partial day (e.g., to attend a doctor's appointment), and may not discipline the employee for doing so.

Many employers have attendance policies under which employees may be given an "occurrence" or similar adverse personnel action (which is a form of discipline with potentially negative repercussions) if the employee has an unscheduled absence or provides insufficient notice of an absence. Under the terms of the paid sick leave law (and Labor Code sections 233 and 234), if an employee has accrued and available

**sick leave**, and is using his or her accrued paid sick leave for a purpose as specified in the law, it is **not permissible** for an employer to give the employee an "occurrence" for the absence under such an attendance policy because this would constitute a form of discipline against an employee for using his or her paid sick leave as allowed under the paid sick leave law.

If an employee does **not** have any accrued or available paid sick leave, however, (e.g., if the employee has already used all of his or her accrued and available paid sick leave under the employer's policy, including as consistent with Labor Code section 233), and if the employee has an unscheduled absence that would otherwise violate the employer's attendance policy, the paid sick leave law does not prohibit the employer from giving the employee an "occurrence" for such absence, even if the employee was actually sick and/or could have used paid sick leave for the absence if he or she had any such leave accrued. The paid sick leave law does not "protect" all time off taken by an employee for illness or related purposes; it "protects" only an employee's accrued and available paid sick leave as specified in the statute.

Similarly, if an employee has an absence that would otherwise violate the employer's attendance policy, and if the absence was for a reason **not** covered under the paid sick leave law, the employer is not required to allow the employee to use paid sick leave for that absence, and it is not a violation of the law for the employer to give an "occurrence" for such absence. The paid sick leave law provides that an employer **shall provide paid sick days for the following purposes:** 

- 1) Diagnosis, care, or treatment of an existing health condition of, or preventive care for, an employee or an employee's family member.
- (2) For an employee who is a victim of domestic violence, sexual assault, or stalking, the purposes described in subdivision (c) of Section 230 and subdivision (a) of Section 230.1.

(Lab. Code § 246.5, subd. (a).) An employer is not required to allow an employee to use accrued paid sick days for reasons other than those listed in the statute (as quoted above).

In addition, if an employee has an unscheduled absence that would otherwise result in an "occurrence" under an employer's attendance policy, and if the employee elects to use accrued paid sick leave for only **part** of the unscheduled absence (for example, if the employee is absent for a full eight-hour day of work, but elects to use only four hours of his or her accrued paid sick leave for the absence [which the employee is allowed to do], the employer would be allowed to give an "occurrence" (or 1/2 of an "occurrence") for the one-half day of unscheduled absence for which no paid sick leave was used. Only time that is properly taken as accrued paid sick leave is protected from

# Finance /Administrative Committee Agenda Item: 5

**Date:** September 10, 2018

**Subject:** Proposed Change to Hours of Operation

**Staff Contact:** Timothy R. Shaw, General Manager

#### **Recommended Committee Action:**

Forward an item to the September 17<sup>th</sup> Board agenda to consider authorizing/directing a change to the process for considering the proposed new hour of operation.

#### **Current Background and Justification:**

Following the direction provided at the August 20<sup>th</sup> Board meeting, I drafted a notice to ratepayers regarding the proposed new hours of operation. The notice was drafted and was emailed to the Finance/Admin Directors with a courtesy copy to the Admin Assistant. The notice has NOT been distributed.

Subsequently, I received a phone call from Teamster Local 150 indicating (among other things) the Union's objection for the District's consideration of this issue without consulting with the Union.

Although the existing MOU and existing policy clearly establish that the District is within its management rights to establish operating hours, the Union takes a position that such right must be premised on the operational needs of the District. In contrast (Union's perspective), this request was brought forward as a employee request and/or employee preference. Accordingly, the Union believes the matter is subject to negotiations.

#### **Conclusion:**

Forward this item to the September 17<sup>th</sup> Board agenda to have the Board consider rescinding their August 20<sup>th</sup> direction, and instead redirect this issue as dialog with the Union via MOU renewal negotiations currently underway (although they were not underway months ago, when the employees submitted their written request).

# RIO LINDA/ELVERTA COMMUNITY WATER DISTRICT

P. O. BOX 400 730 L STREET RIO LINDA, CALIFORNIA 95673 Phone: 916-991-1000

August 22, 2018

#### **Proposed Change in Business Hours of Operation**

#### **Dear RLECWD Customers:**

The Rio Linda Elverta Community Water District (RLECWD) is considering changing its hours of operation to a schedule of longer days, which involves the office being closed on Fridays. The currently proposed target for the change in operating hours is mid to late of October 2018. The proposed schedule would have office hours from 7:00 A.M. to 5:30 P.M from Monday through Thursday.

There are several important reasons the District is considering the change. The longer office hours provide more opportunities for those customers needing/wanting to conduct business at the RLECWD office after they get off work during the week. A review of RLECWD employee overtime occurrences shows more than half of our overtime occurrences happen between 4:00 P.M. and 5:30 P.M., so the District expects a decrease in cost of operation from fewer occurrences of overtime. Likewise, using electricity at the office one less day per week is expected to lower our operating expenses. Lastly, providing flexible work schedules for RLECWD employees has proven to increase employee productivity and job satisfaction at many similar community owned utility districts. The District needs to attract and retain qualified employees to continue providing high quality services the community expects.

RLECWD is a community owned utility, and the customers are the owners. As such, the customers' needs and expectations are the <u>most important factors</u> in RLECWD decision making. If you have any questions or concerns about this or any other matter, please reach out to us in any of the below indicated methods. **We want to hear from you!**

#### **Proposal: Change to Hours of Operation**

The RLECWD staff would like to change the district's hours of operations. The new hours of operation would change to Monday thru Thursday (6:30am-5:00pm). Currently we operate Monday thru Friday (7:00am – 4:00pm). We desire this change to enhance our quality of life while providing exceptional customer service and meeting all of the district's needs. This change would require most employees to change from an eight hour work day to a ten hour work day. We have all agreed to this change.

The change to hours of operation would benefit the district in many ways.

- 1. While we would be closed 52 days more a year, this would help drive down operational cost. Which in turn would save the district money.
- 2. We have been told by many of our customers "Why do you close at 4:00pm; when a lot of people get off work at 4:00pm?" "I cannot make it in by 4:00pm." "I had to take time off work to come in." Changing the hours would give our customers six more hours a week to conduct business, outside of our current hours of operation. With this larger window customers would be able to come in and speak with personnel to pay a bill, talk about water conservation, or fix customer's problems as they arise.
- 3. With longer hours, the field staff would accrue less overtime. Much of the overtime is accrued by not having enough time to complete scheduled repairs or other time

consuming tasks. Most overtime is accrued between 4:00pm and 5:00pm.

In closing we would like to express our appreciation for taking the time to review this matter.

#### RLECWD INTEROFFICE MEMORANDUM

TO: RLECWD EMPLOYEES

**FROM:** TIMOTHY R. SHAW, GENERAL MANAGER

**SUBJECT:** CONSIDERATION OF ALTERNATIVE WORK SCHEDULES

**DATE:** 8-16-2018

CC:

Management has reviewed your request to consider alternative work schedules and has the following comments in response to your written request:

- Management shares your embrace for practices and policies that can lead to greater productivity, lower operating costs, and better job satisfaction.
- The current District policy clearly establishes, and must continue to uphold, the principal that the District must be able to establish and, as necessary, modify the work schedule to meet the operational needs of the District.
- Any change in schedule, which is properly noticed and implemented by the General Manager is, as it should be, subject to revisions as may be deemed necessary for the operational needs of the District, now and in the future. In other words, if we change schedule, and District needs are not being sufficiently addressed, the work schedule may need to change for some employees.
- Even if the District goes to a 4-10 schedule, it is not necessary or justified to have the same start times for operations employees as customer service employees. For example; some field employees may start work earlier in warm weather months and later in cool weather, shorter daylight months.
- The District will need to provide sufficient lead time to make the change associated with being closed on Fridays. We will need time for notices, postings flyers etc. to minimize the impact on customers who would otherwise plan to pay bills on Fridays.
- Although changing work schedules is within the authority of the GM, and such changes when properly noticed are not subject to Union meet and confer requirements, there will need to be some reasonable clarifications on pay days, observed holidays that fall on a regular day off (potentially now including Fridays) and vacation/sick leave accrual equivalents. For example, the existing MOU stipulates vacation accrual is two weeks per year (up to five years of service). The intent of two weeks in a 5-days per week schedule is 80-hours of vacation. If you take 80-hours of vacation, you will be absent for two weeks in a 4-10 schedule. However, if you take one day off, that's 10-hours of vacation.

If these stipulations are acceptable to the employees, please respond accordingly and the F/A Committee will forward an item on to an upcoming Board agenda to consider the length of lead time needed to notify the customers about the planned changes in office hours.
