Request District Consideration of an Agricultural Lease and/or Weed

Abatement Project at the Well 14 Parcel

Staff Contact:

Timothy R. Shaw, General Manager

Recommended Committee Action:

The Executive committee should discuss the outreach recently received to explore the feasibility and requirements for a small-scale agricultural lease and/or a weed abatement project for the Well 14 parcel

Current Background and Justification:

The District recently received an inquiry regarding temporary use of the Well 14 parcel. Some preliminary how-to discussions followed, which lead to a conclusion that assessing Board Support for such is the appropriate first step.

Conclusion:

The Executive Committee should discuss the general benefits, risks, risk mitigations and general methods for engaging into such projects.

Memorandum of Understanding (MOU) with Regional Water Agencies

for Engaging a Collaboration Study Consultant

Staff Contact:

Timothy R. Shaw, General Manager

Recommended Committee Action:

The Executive Committee should review the draft MOU and forward the item onto the February 24th Board agenda with the Committee's recommendation for Board approval.

Current Background and Justification:

The District has engaged in dialog and meetings with various water agencies in our region for more than the past year. These discussions have been to explore the feasibility of engaging a consultant to study processes and benefits for both collaboration and consolidation (merger) between two or more water agencies.

RLECWD and other agencies involved in the discussions have no interest in consolidation but do have considerable interest in collaboration as a means to mitigate the costs and impacts from a continuing trend of new laws that are all unfunded mandates.

Accordingly, the draft contract with the selected consultant and other supporting documents have been crafted to segregate charges for consolidation interested agencies and collaboration only interested agencies.

The Exhibit to the draft MOU illustrates the tier structure for agencies (including RLECWD) only interested in studying collaboration, e.g. forming partnerships with other agencies to share resources and benefits to reduce or limit the increases in operating cost including those from new, unfunded mandates.

Conclusion:

The Executive committee should review the draft MOU and forward the item onto the February 24th Board agenda with the Committee's recommendation for Board approval.

MEMORANDUM OF UNDERSTANDING REGARDING COLLABORATION/INTEGRATION PROJECT

THIS MEMORANDUM OF UNDERSTANDING ("Amendment") is made and entered into this day of , 2020 by and between the Carmichael Water District, Citrus Heights Water District, Rio Linda/Elverta Community Water District, City of Folsom, Del Paso Manor Water District, Sacramento Suburban Water District, and the San Juan Water District (individually, "Party" and collectively "Parties").

TERMS

The above parties in consideration of the mutual promises set forth in this Amendment, agree as follows:

- Selection of Consultant and Approval of Study. Sacramento Suburban Water District (SSWD) shall execute the Consultant Agreement with Raftelis/Tully & Young to perform the Study. The Consultant Agreement shall be substantially in the form as set forth in Exhibit 1 of this Amendment and incorporated by this reference.
- 2. <u>Participation in Study</u>. All parties to this Agreement shall agree to provide the consultant with the information necessary to prepare the Study.
- 3. Funding Provisions. The total estimated cost to complete the Study is estimated at \$194,264. The respective share of the cost for each party to this Agreement are further described in Exhibit 2, attached hereto. Failure to timely remit a party's share of the funding may result in excluding that party from the Study or suspension or termination of the Study at SSWD's election. At the conclusion of the Study, SSWD will provide a final accounting to all parties and return any unused share of Study funds to each Party based on each Party's proportionate share. A not-to-exceed estimate of \$200,000 was established to allow for a contingency in the event of unanticipated expenses.
- 4. <u>Cost Accounting.</u> The consultant shall separately track the expenses associated with the analysis of the option of consolidation/merger of two or more agencies in Work Activity 3.
- 5. <u>Term.</u> This MOU shall terminate no later than December 31, 2020, except by mutual agreement of the parties.
- 6. <u>Dispute Resolution</u>. If the Parties disagree on a specific issue and a tie vote ensues on a decision on that issue the Parties shall meet and confer and negotiate in good faith to resolve the issue. If the Parties are unable to resolve the specific issue in dispute after good faith negotiations, they shall agree to

engage an outside mediator to attempt to resolve the disputed issue.

7. Consultant Payment Schedule. SSWD shall pay all costs incurred under the Consultant Agreement according to the schedule set forth in Exhibit XX of the Consultant Agreement. SSWD shall forward all invoices for costs attributable to each party within fifteen (15) days of receipt. Such party shall promptly review the invoice and notify SSWD of any objections within thirty (30) days of transmittal of the invoice by SSWD. If a party has no objections, SSWD shall pay the invoice from funds provided by that party under the schedule set forth in Exhibit 2.

IN WITNESS WHEREOF, this MOU was executed by the parties hereto as of the date first above written.

Paperless Billing and Incentives to Encourage Enrollment

Staff Contact:

Timothy R. Shaw, General Manager

Recommended Committee Action:

The Executive Committee should review previous District efforts to promote paperless billing and discuss other methods to promote enrollment by customers.

Current Background and Justification:

Several years ago, the District established a program to enable customers to sign up for paperless billing, thereby reducing the costs for billing by eliminating printing, folding and mailing costs. Unfortunately, enrollment has been minimal (less than 20 customers).

The more recent improvements in the billing practices, including transitioning to customer paid convenience fee charged by the third-party credit/debit card payment processor, have contributed to additional potential for encouraging paperless billing enrollment.

Conclusion:

The Executive Committee should engage in dialog with staff on the relative merits of providing an incentive for paperless billing enrollment. If deemed necessary, the Committee could forward an item onto the February 24th Board agenda to receive additional feedback from the remaining Board members.

Location, Date and Time for March 2nd Executive Committee Meeting

Staff Contact:

Timothy R. Shaw, General Manager

Recommended Committee Action:

The Executive Committee should direct staff on the Committee's preferences for alternate date/time/location of the March Executive Committee meeting.

Current Background and Justification:

The Districts arrangement with the Parks and Recreation District for monthly uses of the Depot building are occasionally preempted for community needs. For a few days beginning March 2nd, the Depot will be used as a Sacramento County elections ballot drop off location.

At the January 6th meeting, the Executive Committee members were informed of the unavailability of the Depot on March 2nd. At that time, the Executive Committee requested more time to consider the options. Unfortunately, the longer we take, the lower the potential for procuring alternative meeting facilities, e.g. Fire Station 111.

Conclusion:

The Executive Committee should provide appropriate direction to staff.
